## **News of the Month**

### **September 2011**

#### **Webelos 2, Den 5**

Webelos 2 are going to visit different boy scout troops this year. We visited Troop 403 this month and plan to camp with them in October. We are also finishing up the Arrow of Light

requirements.

#### **Webelos 1, Den 2**

We're happy to announce that Den 6 has merged with Den 2 to form "superden." So what was the first item of business for this newly strengthened group? Get stronger, of course! The

boys are working on their Athlete and Fitness activity badges, and kick started it all with a series of exercises at our first den meeting. The boys did sit-ups, push-ups, standing broad jumps, pull-ups, standing vertical leaps and a 50-yard dash. In the coming weeks they'll be working on improving their scores while focusing on healthy eating habits.

#### **Bears, Den 4**

Like the scouts in Den 2, the Bears are working on getting stronger. They are working to improve their sit-ups, push-ups, long jumps and other physical skills. They are also working on a den

scrapbook and refreshing their knowledge of the Cub Scout Promise and the Law of the Pack.

#### **Tigers, Den 3**

Our newest Tiger den got started at Join Scouting Night. They are already working on the Bobcat badge and have learned the Cub Scout Salute and the Cub Scout Promise. We have so

many new Tigers we're looking forward to creating a second den!

## **Cubmaster's Corner**

Welcome to our new scouts and our returning scouts! It's exciting to start off in the fall with a new rank and a new set of achievements to work on. Thank you for joining with Pack 1046 as we dive into our activities.

Scouts, join into your den and pack activities. Your excited participation makes the events fun. Akelas, join into the den and pack activities also. By joining in, you may see where you can help make an activity more fun or maybe even start a new Pack tradition.
